It is difficult to realize the tremendous volume of work that is turned out by this staff. In my judgement the College and State should be proud to know that they have such a dedicated force handling the academic records and reports for Prairie View A & M College. Each of them deserves special commendations for their efforts.

Finally the Registrar's Office has fulfilled its commitment in terms of submitting required reports to the Coordinating Board, and all other agencies of the State and the College. We did not achieve all the goals we had set for ourselves, but in my judgement we have made tremendous strides.

PERFORMANCE ASSESSMENTS OF THE REGISTRAR'S OFFICE

The Registrar's Office seems to be making excellent progress toward achieving its goals in the area of public relations. We placed priority on this goal at the beginning of the year and each staff member has more than measured up to our expectations.

We have assumed the roll of serving the students, administration, faculty and alumni with dispatch and courtesy at all times. Each staff member feels a personal responsibility to do his part in achieving this goal. I am delighted to have a staff that works with such a high degree of enthusiasm and displays a tremendous degree of loyalty to the College.
